Dear Friend of Heartland Montessori School,

Recently, a small group of teachers and parents representing various segments of the Hardin County Community saw a need for a quality educational preschool program in this area. This vision has become reality with the formation of the Heartland Montessori School.

Heartland Montessori School is an exceptional educational preschool for children ages 2 to 6. The school's founder, board, and staff are committed to the philosophy of Dr. Maria Montessori to "follow the child" through the sensitive periods from birth through age 6 during which the child absorbs information from a carefully prepared environment. Each child will be loved and appreciated as an individual, and each child will be afforded an equal opportunity to grow and learn at his or her own rate of development. Heartland Montessori School is a non-profit organization and will be operated on a non-discriminatory basis.

Many of the best schools depend on annual contributions from parents and donors to supplement and/or meet their budgets. And, this is especially critical with the opening of Heartland Montessori School. The school's budget is dependent upon these contributions to help open the doors. This is why we are asking for your help at this time. We sincerely hope you will participate in this donation campaign to enable Heartland Montessori School to reach its goals.

The Heartland Montessori School is seeking tax-deductible donations from friends, family and businesses within the community.
